Did you know...?

Apprenticeships enable businesses to shape and build their skills base resulting in improved business performance

Apprenticeships
BY NELSON AND COLNE
COLLEGE

Apprenticeships your way.

Engineering and Manufacturing

The engineering industry is forward thinking, fast moving and ever-changing. At Nelson and Colne College, our job is to help you transform productivity and improve skills and knowledge within your workforce, to ensure employees are always able to meet the ever-changing needs of your business.

Through our personalised approach, our Apprenticeship team identify, develop and deliver your training solutions; matching relevant and recognised qualifications with innovative and practical solutions for your business.
