

# ESOL

**DURATION:** 1-3 YEARS  
(depending on starting level)

**STUDY TYPE:** FULL-TIME

**START DATE:** SEPT 2019

## ABOUT THE COURSE

The main purpose of this course is to provide students with the opportunity to cover all four skills in English: speaking, listening, reading and writing. The course will allow you to progress onto your chosen courses within College.

Learning is through classroom based activities, enterprise projects and access to all vocational areas within College.

Students who progress onto E3 ESOL will be able to choose either a Vocational or an academic route depending on their career choices.

## WORK EXPERIENCE

As part of your study programme you will undertake relevant work experience linked to your career aspiration. This experience is designed to expand your skills, develop your CV and develop industry contacts. You will have support in finding your placement through your tutors and our dedicated careers team.

## WHAT YOU LEARN

For your chosen vocational option, you will also study a range of topics which may include:

- English
- Maths
- ICT skills
- Communication and working with others
- Vocational tasters

## HOW YOU WILL BE ASSESSED

Initial assessments, ongoing assessments and exams in English, Maths and ESOL throughout the year.

## ENTRY REQUIREMENTS

No prior qualifications required. Level of study will be decided by initial assessment.

## WHAT NEXT?

Students can progress onto various courses within College depending on levels of Maths and English achieved.

## FURTHER INFORMATION

Alongside all programmes, students will have the opportunity to be involved in a wide range of extracurricular activities from trips and visits, to enterprise activities and fundraising. You may also have the opportunity to complete work experience within your chosen career area.
